Week 9

HOMEWORK BOOK

Sunday 8 November · Subtraction with Exchange

This book mirrors everything we did in class on Sunday.
Two or three short sittings across the week is the right rhythm.

For the grown-ups

Talk about	People we remember. Today is Remembrance Sunday. We wear poppies to remember brave people from long ago.
Watch together	A clip on column subtraction with exchanging. Watch what happens to the tens digit.
Spellings	see, tree, been, green, keep, week. The spelling page uses word pyramids this week.
Dictation	"The green tree is very tall." "I have been good all week." Read each sentence aloud twice, at talking speed.
Reading	The Reading Race is the one to do every day - two minutes, out loud, tick the rungs.
Homework	Exchange is the hardest idea this term. If it wobbles at home, go back to straws or coins - a ten really does become ten ones.

Notes

Arithmetic ★

The same method as class. Neat and steady.

Column practice. Ones first.

6 7	9 2	4 0
- 4 8	- 5 3	- 2 7
6 2	6 0	5 4
- 3 3	- 3 5	- 2 5

Arithmetic ★★★

The challenge set. Working out earns as much praise as answers.

Three-digit columns. Exactly the same method.

$$\begin{array}{r} 574 \\ -\ 129 \\ \hline \square\square\square \\ \hline \end{array}$$

$$\begin{array}{r} 764 \\ -\ 605 \\ \hline \square\square\square \\ \hline \end{array}$$

$$\begin{array}{r} 770 \\ -\ 202 \\ \hline \square\square\square \\ \hline \end{array}$$

$$\begin{array}{r} 740 \\ -\ 626 \\ \hline \square\square\square \\ \hline \end{array}$$

The answer is done - but a digit has escaped! Find it.

$$\begin{array}{r} 9\square \\ -\ 45 \\ \hline 45 \\ \hline \end{array}$$

$$\begin{array}{r} \square 6 \\ -\ 57 \\ \hline 39 \\ \hline \end{array}$$
